GEN. MIS. SECTION

The Secretary to Government,
Development Department, Bangalore.

SIR,

I have the honour to forward herewith a copy of calendar for Census Work showing the several items of work yet to be completed and the time required for their completion. The time assigned to each item of work is the least required for its completion and as can be seen from the distribution of the time for the several items of work shown in the calendar, 30th June 1942 is the earliest date by which I hope to be able to complete my census work. This is of course, subject to the condition that the Press will co-operate with me and get the work done with the least possible delay.

I have the honour to be,
Sir,
Your most obedient servant,

Min. (LSG)
